Optional Activity

Perform an oral examination

1) Grab a mirror
2) Look at all the inside areas of your mouth, your lips, cheeks, tongue, back of your mouth…

3) Look at your teeth
- How many can you count?
- Are there any sore or red areas?
- Any teeth that aren't straight?
- How clean are your teeth?

4) Look at the chart to see which teeth you have? Can you circle them?
